

TSS DIODES Thyristor Surge Suppressors TSS P0080TA for Surge Protection

Our Product Introduction

for more products please visit us on socaydiode.com

Basic Information

- Place of Origin: Shenzhen, Guangdong, China
- Brand Name: SOCAY
- Certification: REACH,RoHS,ISO
- Model Number: P0080TA
- Minimum Order Quantity: 5000PCS/REEL

Product Specification

- Component: Thyristor Surge Suppressors
- Tss Name: Thyristor Surge Suppressors (TSS)
- Vdrm @ 5 μ A: 6V Min
- Item: TSS DIODES
- Maximum Leakage Current: Less Than 5 μ A
- Package Size: DO-214AC/SMA
- Highlight: **Surge Protection Thyristor Surge Suppressors ,
TSS DIODES Thyristor Surge Suppressors ,
P0080TA Thyristor Surge Suppressors**

Product Description

Product Description:

The TSS P0080TA comes in a DO-214AC/SMA package size, which makes it easy to install in various electronic devices. The component used in the TSS is a thyristor surge suppressor, which is a semiconductor device that is designed to limit the voltage spikes and transients that can damage electronic equipment.

Applications:

These Thyristor Surge Suppressors are commonly used as Ethernet Surge Protection Devices in various applications. They are designed to protect sensitive electronics from electrical surges or spikes that can cause damage to the equipment. The SOCAP TSS diodes are ideal for use in telecom equipment, networking equipment, and other electronic devices that require protection from electrical surges. The SOCAP Thyristor Surge Suppressors are a reliable and cost-effective solution for protecting electronic devices from voltage surges. They are easy to install and require no maintenance. These devices are made from high-quality materials and are designed to withstand extreme conditions, making them ideal for use in harsh environments.

When it comes to protecting your electronic devices, Thyristor Surge Suppressors from SOCAP are an excellent choice. They are durable, reliable, and provide excellent protection against voltage surges. So whether you need to protect your Ethernet equipment or other sensitive electronics, the SOCAP TSS diodes are a great choice.

Customization:

Brand Name: SOCAP
Model Number: P0080TA
Place of Origin: Shenzhen, Guangdong, China
Certification: REACH, RoHS, ISO
Minimum Order Quantity: 5000PCS/REEL
Tss Name: Thyristor Surge Suppressors (TSS)
Component: Thyristor Surge Suppressors
Package Size: DO-214AC/SMA
Description: Thyristor Surge Suppressors (TSS)
Maximum Leakage Current: Less Than 5 μ A
DC Surge Protection Device, DC Surge Protection Device, DC Surge Protection Device
