

SOCAY Compact Surface Mount PPTC SCF010-24-0805RB Resettable Fuse

Our Product Introduction

for more products please visit us on socaydiode.com

Basic Information

- Place of Origin: Shenzhen, Guangdong, China
- Brand Name: SOCAY
- Certification: UL, REACH, RoHS, ISO
- Model Number: SCF010-24-0805RB
- Minimum Order Quantity: 5000pcs
- Price: Negotiable
- Delivery Time: 5-8 work days

Product Specification

- Component Name: PPTC Resettable Fuse
- Package: Surface Mount
- I Hold: 0.1A
- I Trip: 0.3A
- V Max: 24.0A
- I Max: 100A
- P Dtyp.: 0.5W
- Current: 0.5A
- Time: 1.5Sec.
- R Min: 1.0Ω
- R 1max: 8.0Ω
- Highlight: **PPTC SCF010-24-0805RB,
Compact Surface Mount PPTC,**

Product Description

SOCAY Compact Surface Mount PPTC SCF010-24-0805RB Resettable Fuse

PPTC Resettable Fuse DATASHEET: [SCF0805RB Series_v2408.1.pdf](#)

Product Description:

Our Surface Mount PPTC Resettable Fuse is designed to provide reliable overcurrent protection for your electronic devices. With a maximum R1 of 8.0Ω, this fuse is easy to mount and install, ensuring that your devices are protected from dangerous overcurrent situations.

The Surface Mount PPTC Resettable Fuse is an excellent choice for applications that require a higher level of protection. With a holding current range of 0.1A to 0.3A, this fuse is perfect for protecting sensitive electronic components from damage caused by overcurrent situations.

Our Surface Mount PPTC Resettable Fuse is a top-quality component that is designed to provide reliable and long-lasting protection for your electronic devices. With its surface mount package, this fuse is easy to install and provides excellent protection against overcurrent situations.

Overall, the PPTC Resettable Fuse is an excellent choice for anyone who needs reliable circuit protection for their electronic devices. With its range of holding currents, easy-to-install design, and excellent protection against overcurrent situations, this fuse is sure to meet your needs.

Features:

Product Name: PPTC Resettable Fuse

RoHS Compliant & Halogen Free

Faster tripping, 0805 Dimension, Surface mountable, Solid state

Operation Current: 0.1A

Maximum Voltage: 24Vdc

Operating Temperature: -40 ~ +85

Technical Parameters:

| | |
|-----------------------|----------------------|
| Component Name | PPTC Resettable Fuse |
| Package | Surface Mount |
| I Hold | 0.10A |
| I Trip | 0.30A |
| V Max | 24.0Vdc |
| I Max | 100.0A |
| P dtyp. | 0.5W |
| Current | 0.5A |
| Time | 1.5Sec. |
| R Min | 1.0Ω |
| R1 Max | 8.0Ω |

Applications:

The SOCAY 0805 PPTC Resettable Fuse is a Surface Mount component that is designed to be easily installed and replaced. With a maximum current of 100A and a maximum voltage of PTC Polymer, this fuse is capable of handling a wide range of applications and scenarios. The R min 1.0A design ensures that the component is stable and secure, even in harsh environments.

Whether you are working on a new project or replacing an existing component, the SOCAY 0805 PPTC Resettable Fuse is the perfect choice. With a minimum order quantity of 5000pcs, the price of this fuse is negotiable, making it an affordable option for any project.

Delivery time is only 5-8 work days, ensuring that you receive your components quickly and efficiently.

The SOCAY 0805 PPTC Resettable Fuse is suitable for a wide range of product application occasions and scenarios. Whether you are working on a consumer electronics device, an industrial control system, or a telecommunications network, this fuse is capable of providing reliable protection against overcurrent and overvoltage conditions. Its radial leaded design makes it ideal for use in applications where space is limited, making it a popular choice among electronics designers and manufacturers.

Whether you are looking for a Leaded PPTC Resettable Fuse, a Surface Mount PPTC Resettable Fuse, or a Radial Leaded PPTC Resettable Fuse, the SOCAY 0805 PPTC Resettable Fuse is the perfect choice for your next project. With its high quality, reliability, and affordability, this component is sure to provide the protection that your electronic devices and systems need.

FAQ:

Q1: What is the brand name of this resettable fuse?

A1: The brand name of this resettable fuse is SOCAY.

Q2: What is the model number of this resettable fuse?

A2: The model number of this resettable fuse is SCF010-24-0805RB.

Q3: Where is this resettable fuse made?

A3: This resettable fuse is made in Shenzhen, Guangdong, China.

Q4: What certifications does this resettable fuse have?

A4: This resettable fuse has UL, REACH, RoHS, and ISO certifications.

Q5: What is the minimum order quantity for this resettable fuse?

A5: The minimum order quantity for this resettable fuse is 5000pcs.

Q6: Is the price of this resettable fuse negotiable?

A6: Yes, the price of this resettable fuse is negotiable.

Q7: What is the delivery time for this resettable fuse?

A7: The delivery time for this resettable fuse is 5-8 work days.
